Introduction

The Quick brown fox opens this guide.
It is a field guide.

Chapter 1: Foxes

A quick fox is still a fox in the field.

Section 1.1: Habitat

Foxes visit the Café at dawn.
Only a naïve fox stays long.

Field notes

quick notes: fox tracks, then more fox tracks.

Chapter 2: Plants

photosynthesis turns light into sugar.

Appendix

A cat and another cat are not a category.
